Where you count.

“In a busy medical practice, it is reassuring to have confidence in a highly competent accounting firm, and we are pleased to be associated with EEPB.”

— Dr. M
Houston, Texas

Formed in 1987, by Mike Easley, Nick Endres, Steve Parkhill and Melvin "Bo" Brackendorff, EEPB, P.C. employs more than 70 professionals. Understanding and meeting the needs of businesses and individuals ranging from beginning entrepreneurs to multi-million dollar conglomerates is the ongoing commitment of the firm.

We're taking appointments now.

EEPB, P.C. strongly believes that doctors and dentists' healthcare business deserves the same quality care as your patients.

EEPB has assisted more than 100 physicians or physician groups, including single practitioners, multi-office regional operations, and hospital facilities, in achieving their business and personal objectives.
